Ex-ante publicity notice in negotiated procurement procedure

Subject: “Advances in approaches to optimise testing for sexually transmitted infections” – NP/2018/OCS/8434

Short description

The assignment should identify and summarise advances in testing approaches for sexually transmitted infections that can optimise prevention and control activities at national and EU/EEA level. Novel diagnostic technologies may increase testing coverage among risk groups, facilitate access to testing outside clinical settings.

Description of the procedure:

This ex-ante publicity is the first stage of a negotiated procurement procedure below €60,000 with a minimum of 3 candidates, through which ECDC may award the above-mentioned contract.

All economic operators interested in providing the services described above should express their interest **before 16/10/2017, 16h00 CET**, by e-mail to tenders@ecdc.europa.eu with the same subject reference as indicated above.

In their expression of interest interested economic operators should demonstrate their ability to provide the relevant services and provide the following information:

- Name
- Address
- Contact person
- E-mail
- Description of main area of business/expertise (max 500 words)

This information will be taken into account by ECDC in order to identify potential candidates.

The Request for Offers and related documents will be provided by e-mail only to the identified candidates.

Please note that ECDC reserves the right not to launch the negotiated procedure.
